

Public Consultation & Precept Increase Survey

Before answering this question please ensure you have read the available information, including the potential council tax precept increase scenarios, which can be found at www.debden.org under Public Consultation. A Public Consultation Notice was circulated with the Debden Parish Pump - March '20 Edition. Information will be available at the Public Consultation meetings. If you need any further information please contact Debden Parish Clerk - details on the bottom of this form.

Are you in favour of Debden Parish Council proceeding with an application to the Public Work Loan Board for a loan facility of up to £400,000 to support the Debden New Village Hall Project, which would currently require a council tax precept increase* of 107% (equivalent to £17,492 a year, or £45 a year for an average Band D property) for the purpose of meeting the loan repayments?

**This is based on the current prevailing interest rate set by the PWLB which may change.*
